Sharp, rich, accurate slide transfers for high end graphic work or archiving your family slides. Professionally converting your slides to digital has never been easier with our 35mm slide transfer service.

| Slide Type | 35mm | Super 35mm | 126 | 110 |
|------------|--------------------------------|--------------------------------|----------------------------------|------------------------------|
| | | | | |
| Slide Size | 35mm x 23mm 1 3/8" x 15/16" | 35mm x 28mm 1 3/8" x 1 1/8" | 28mm x 28mm 1 1/16" x 1 1/16" | 17mm x 13mm 11/16" x 1/2" |

We can scan any 2" x 2" (50mm x 50mm) mounted slide with our automated scanners. We utilize the latest equipment that incorporates a cool white LED array, so your slides are NEVER exposed to any heat, and provides you with a clear digital image from edge to edge.

All of our 35mm slide transfer services include:

- **High Quality** digital capturing of your 35mm slides
- **Cleaning** of slides with compressed air
- **Cropping** of any visible borders
- Automatic **Exposure** correction
- **Dust & Scratch** removal
- **Full scan** of image, regardless of orientation
- **Files** output to Digital Drive or master data Disc
