## 35 MM Slide Transfers

8200 Southpark Circle • Unit 200 • Littleton CO • 80120 • 303-730-1100 • www.rmavp.com

**Sharp, rich, accurate** slide transfers for high end graphic work or archiving your family slides. Professionally converting your slides to digital has never been easier with our 35mm slide transfer service.

Slide Type	35mm	Super 35mm	126	110
Slide Size	35mm x 23mm 1 3/8" x 15/16"	35mm x 28mm 1 3/8" x 1 1/8"	28mm x 28mm 1 1/16" x 1 1/16"	17mm x 13mm 11/16" x 1/2"

We can scan any 2" x 2" (50mm x 50mm) mounted slide with our automated scanners. We utilize the latest equipment that incorporates a cool white LED array, so your slides are NEVER exposed to any heat, and provides you with a clear digital image from edge to edge.

### All of our 35mm slide transfer services include:

- **High Quality** digital capturing of your 35mm slides
- **Rotate & orient** slides for easy viewing
- **Automatic Exposure** correction
- **Full scan** of image, regardless of orientation
- **Cleaning** of slides with compressed air
- **Cropping** of any visible borders
- **Dust & Scratch** removal
- **Files** output to Digital Drive or master data Disc
